

VU Identity Manager

Vilnius University students (also International Exchange) and employees can subscribe to all VU e-services ([e-mail](#), [Information system](#), [Eduroam](#), [VPN](#) etc.) and manage them through VU Identity Manager.

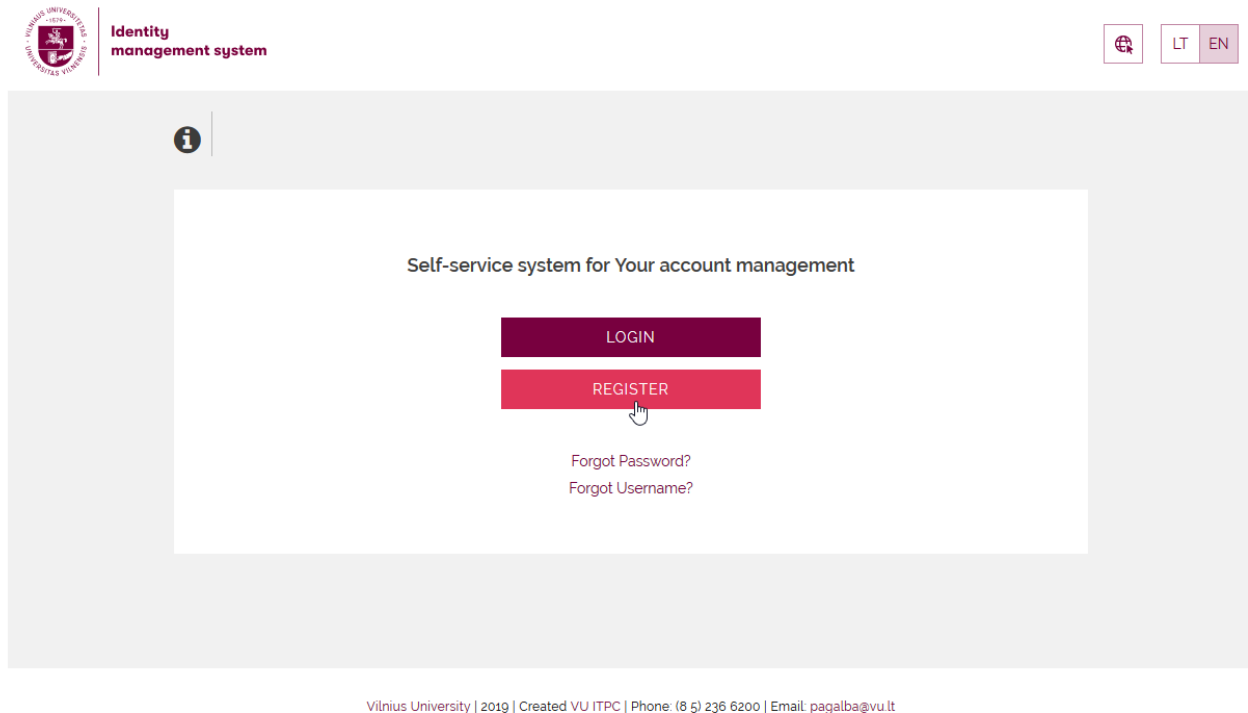

Access to Identity Manager is possible only for registered users.

With *Identity manager* You can:

- Change e-mail address (when your name, family name or faculty has changed);
- Change your identity password;
- Change forgotten password.

Registration

To create an *Identity manager* account please register at id.vu.lt (select „**REGISTRATION**“).

Nonregistered users cannot activate and use any of VU e-services.

Undergraduate (Bachelor) and **graduate** (Master) students their registration numbers can get from faculty administration or assigned student tutor.

Postgraduate (Doctoral and Residency) students their registration numbers can get from Doctoral and Residency department.

Employees their employee/registration numbers can get from faculty administration.

International exchange students their registration numbers can get from International Programmes and Relations Office. For registration please use Your registration number and date of birth.
